## **Olympia Pine Outdoor Tower Tree**

Olympians are known for their skill, endurance, sense of pageantry, and perseverance. This collection was created with those attributes in mind. Strong and durable with robust branch and needle structure for an impressive presentation.

14 feet & 16 feet

Dark green, weather resistant PVC foliage

Branches are UV treated for outdoor resilience

Includes LED Lights

## Olympia Pine Indoor / Outdoor Tree

Heavy gauge steel frame construction

Galvanized wire eliminates rust

Stable, rolling stand with wheel lock brakes for placement ease and off site decorating

Decked with GKI vandal resistant Perm O Snap twist-proof lamp locks or commercial grade FLEXCHANGE replacement bulbs that prevent loose connections

Generous and even distribution of mini lights for guaranteed radiant foliage

Needles are twice as thick as most other needles which eliminates crushing during storage

Heavy-duty frame construction ensures wreath, garland and spray stay true to their shape

Lights and foliage start at the center pole and extend out to the tip

Flame resistant PVC foliage branches
